

Paper Sample Swatch Book

Do you wonder about paper grades, weights, calipers or brightness levels? In this free booklet are samples of Panaprint's house grade papers.

What do we mean by house grade? These are papers we buy mill direct and stock in large quantities. They are all first line papers—no mill ends or seconds.

What are the advantages of using house grade papers?

- Savings—purchased in large quantities and handled most efficiently.
- Quicker turnarounds—no waiting for paper.
- Quality and consistency.
