

Yellow represents the “live area” all text, photos and folios should fall inside of this region.

Magenta represents page size, 5.375 x 8.375.

This is the trim size.

This is how it looks when setting up a New Document. The Page Size is the Trim Size, the Margin Guides set up the Live Area. Anything that bleeds should extend at least 1/8" beyond the page size.

CYAN represents BLEED size, 5.625 x 8.625.

This is the BLEED size.
