

# Presentation Folders

Presentation is everything! You never have a second chance to make a good first impression.

So pay maximum attention to how you present your company in today's competitive business environment.

Well-designed business presentation folders can help make your business stand out from the crowd at sales conferences, meetings and presentations. And, if you get noticed, you have a much better chance of making that crucial sale or impressing that important client.

Let Panaprint help you by designing presentation folders that work for you.

Our standard folders with 4" pockets are perfect for 8.5" x 11" catalog sheets or other marketing materials. Another great feature is the diagonal or half-moon slits, located on one of the pockets, which are specially designed to hold a standard 2" x 3.5" business card.

Your folders can be custom designed with full color on both the front and back, and it can stand out even more with UV coating, embossing, foiling, and other design features. Tell us what you have in mind, and our design team will create a unique folder for you.

At Panaprint, we strive to provide the highest quality products and services at the best price. Let us make printing one less thing you have to worry about.
