

Scratch-Offs

Make your printing interactive! Use Panaprint's scratch-offs to grab the attention of your audience.

Use scratch-offs for promotions, incentive programs, direct mailing, giveaways, tradeshow, or fundraising. They are a proven way to create excitement and increase traffic to your business too!

Try adding a scratch-off to your publication as an interactive message or add it to a tip-on piece as a promotional item. Use a scratch-off to provide a percent off discount in your catalog or as a fun game or prize in your event program.

Let Panaprint's graphic design team help you with your scratch-off ideas.
